 The extent to which the COVID-19 pandemic will further impact the Group's results and carrying value of assets (including goodwill) will depend on future developments, which are uncertain. The Group's impairment loss allowance estimates are subject to a number of management judgments and estimates, which could undergo changes over the entire duration of the pandemic. Given the uncertainty over the potential macro-economic condition and related judicial decisions on matters arising from the regulatory guidelines, the impact of the COVID pandemic on the financial performance may be different from that estimated as at the date of approval of these financial results. Such changes will be prospectively recognized. The Group continues to closely monitor any anticipated material changes to future economic conditions.
